12 CASE NO. C17-0784-JCC

13 v.
14 Defendants.

15 MINUTE ORDER

16 AXIS SURPLUS INSURANCE COMPANY, *et*
17 *al.*,

18

19 The following Minute Order is made by direction of the Court, the Honorable John C.
20 Coughenour, United States District Judge:

21 This matter comes before the Court on the parties' stipulated motion for an extension of
22 discovery and to continue the trial date (Dkt. No. 67). Currently, discovery is scheduled to close
23 February 23, 2018, and trial is set for June 25, 2018. The parties assert that additional discovery
24 time is needed following orders from this Court compelling production and denying Defendants'
25 motion to dismiss (Dkt. Nos. 43, 58). Finding good cause, the Court GRANTS the parties'
26 motion (Dkt. No. 67). The trial date is reset to January 14, 2019. The Court understands the
parties anticipate a twelve (12) day trial. The revised dispositive motion cutoff is 90 days prior to
this date and the revised discovery cutoff is 120 days prior to this date. Document discovery shall
be completed before further depositions are taken in the case. Motions related to document

1 discovery shall be filed on or before March 1, 2018. Expert reports are due June 15, 2018.

2 DATED this 30th day of January 2018.
